

CarNetNepal *Annual* Report

FY2076/77 (2019/20)

Children At Risk Being Holistically Restored

Simply Making a difference...

Acknowledgement

The Organizational Annual Report of Fiscal Year 2076/77 (2019/20) has developed by Children at Risk Network Nepal (CarNetNepal) as part of achievement of the entire implemented projects in the districts of Lalitpur and Nuwakot.

Despite of challenges and lockdown enforced due to covid-19 pandemic, CarNetNepal has experienced blessings as a result of incessant prayers, supports from Executive Board, devoted staff and helping hands of trust worthy donors amid of financial crisis. Henceforth, CarNetNepal would like to express utmost gratitude to Tearfund as being the key funder and consistently building capacity of CarNetNepal and being with us in every difficult situation.

We are grateful to Viva for funding, supporting/mentoring, since the inception phase. We extend our regards to Samaritan's Purse Canada for funding covid-19 relief response. CarNetNepal likes to thank ACCIR Kinnected for the financial & technical support in developing orphanage trafficking flip chart and initiating movement of Child first priority is living with family.

CarNetNepal would also like thank Social Welfare Council, district level and local level government authorities especially Nuwakot and Lalitpur for approving, coordinating monitoring and evaluating projects. Moreover, CarNetNepal would like to extend the vote of thank to all the faith-based institutions of Nuwakot, Kathmandu, Lalitpur for their encouragement, engagement in the project implementations and networking to address the various issues of children.

CarNetNepal would like to express the words of thanks to concerned stakeholders, Political Leaders, Schools, Children Clubs, Self Help Groups, School Management Committee, Child Learning Centers, Community People, School Principals, Teachers, Parent Teacher Association (PTA), Students, NGOs Federation, Journalists, Medias, likeminded NGOs to help in successful implementation of the projects in the targeted communities. Similarly, CarNetNepal would also like to express gratitude to the devoted staff of CarNetNepal, who were continuously involved in successful achievement of the goals of organization and the respective projects.

Finally, CarNetNepal would like to express immense gratitude towards, TearFund staff in Nepal and in Netherlands, officials of Samaritan's Purse Canada, and Viva-together for children who technically supported in designing and implementing the project as well as to all helping people who directly or indirectly involved equipping the organization and implementing the projects.

Message from the Chairperson

It is my great pleasure and privilege to present you Annual Report of FY 067/77 in midst of ongoing and rapidly spreading covid-19 pandemic, which hit us right from the start of December 2019. We were just beginning to start our journey with the vision and mission to carry out the great work in the needed areas in Nepal. The Covid-19 has not left anyone unaffected whether it's rich and highly developed nations or the poor third world countries like Nepal. Despite the far-reaching advancement of science & technology in the world, they do not seem to have the answer for the rapidly increasing Pandemic, making it time consuming to come up with the right vaccines.

In these lethal Pandemic circumstances the governments are left with no choice than to enforce the periodic shutdowns due to which the most vulnerable victims are the poor masses of people who have lost their regular jobs and livelihoods. All the business centers, academic institutions, schools, universities are equally affected resulting in millions of workers and students and owners with no income right from the start of 2020 and continuing uncertainly with ever increasing number of Corona infections and sick people. Government lack resources and manpower to give its services thus in order to ease the hardships it has loosen the long lockdowns although the situation is far from normal. Hospitals and medical centers are not well equipped with required resources to provide treatment to all the infected people, medical facilities in the remote areas are still not available. All the religious places like temples, mosques, churches and meetings, festival gatherings and party venues are still strictly closed. Although the shops and malls are allowed to open subject to all the health and safety rules and precautions are maintained however, business are not thriving as the people have no income and enough money to spend on purchase even in the festival season now. At present people are more worried about losing their lives due to hunger than getting infected with the virus.

By the immense grace of God, even during this chaotic uncertain environment, we are able to carry out most of our regular activities and run early covid-19 relief response to address the acute food and personal hygiene need of 738 families of Nepal. We are so blessed to reach 5000+ children and 6000+ adults with our activities this year. I hope the seed we sowed in their lives continue to grow, flourish and bloom. I would like to take this opportunity to express my gratitude to all our staff, stakeholders and partners, particularly the Nepal Government, funding partners, network partners, prayer partners, board members and well-wishers, who support our work, who made it possible and guided us to move toward our vision.

Thanks and God Bless

Samuel Sodamba

Message from the Programme Coordinator

Dear Partners, Stakeholders, Sisters and Brothers,
Greetings from CarNetNepal!

With honor and grace, I would like to share this annual report of CarNetNepal FY 19/20. This report highlights the achievements, challenges and impacts in the community especially in the lives of children as the result of efforts of CarNetNepal. I feel blessed to celebrate these achievements and continual progress despite of different challenges faced throughout the year.

Despite challenges, CarNetNepal is able to accomplish almost its set target activities on time. In response to the Covid-19 pandemic, CarNetNepal is successful to support needy households (738 HHs) with food relief, sanitation materials at Nuwakot and Lalitpur. The distinct of the relief support was support to disable children with food, uniforms and educational materials and delivery of relief materials to the house of disable and elderly people.

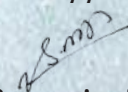

CarNetNepal is successful in capacitating Children, Child Club, CRC, Women group and SMC against Trafficking and Sexual abuse. In regard to the livelihood and sustainability, 4 Self Help women group were duly registered in Tadi Rural Municipality. The women are trained on saving and credit additionally, their mother goats (last year supported) are insured with insurance company. In Kispang, Manakamana 5, of Nuwakot, 25 children were in Child Learning Centre. They have learnt how to be safe from sexual abuse and harassment. These children have improved their learning at class and which decreased the rate of school dropout and irregularities. CarNetNepal has achieved remarkable success to expand its network membership. To this very date, there are 298 network members (individually and organizationally). With collaboration of the network member, organizing World Weekend of Prayer for Children at Risk, awareness raising on child protection issues.

With immense gratitude I would like to thank and express my gratefulness to all the supporting partners, government officials, NGOs, community leaders, faith-based institution, networking partners, Board Members, committed staff and volunteers for their support and cooperation to achieve the goal in this FY.

Finally, I pledge to deliver quality output and constantly moving towards goals to restore the children at risk holistically.

Thank you all for your continuous love, support and prayers.

Sincerely yours,

Sanjay Limbu
Programme Coordinator

Executive Summary

In this fiscal year 2076/2077, CarNetNepal has made significant endeavor to make difference in the lives of the children, family and community through integrated programs and Covid-19 relief response.

Regardless of lockdown and financial challenges, the core objectives to protect rights and release people from poverty and exploitation in the target communities have been addressed effectively. The projects intervention in FY 2076/77 has contributed to accomplish the target of Vision 2020. CarNetNepal works with 6 ministry sectors; Advocacy, Education, Girls/women Empowerment, Sustainable Livelihood, Disaster Response and Rescue & Rehabilitation with cross-cutting theme i.e. Child Protection.

In this FY the CarNetNepal reached 5,703 Children and 5,166 Adults (including 60 women) with the intervention of CPP, CLC and Covid relief response. Through Anti human trafficking and National Children's day, CarNetNepal reached nearly 700 individuals with the message Child protection and anti-trafficking. Orientation program on 'Children in families' has initiated the movement of "Child's first priority is to live with family" and have city wide influence on raising awareness on orphanage trafficking. A number of 25 children, from economically challenged families, have improved their learning capacity in Child Learning Centre. They are now regular in school, and learnt on personal hygiene. Understanding the severe food crisis of the families of these children during lockdown, food and some educational materials were supported to these children.

In Urelni, 60 women of 4 SHGs, who are most vulnerable and economically challenged families, are now capacitated in rearing their goats with improvised technique and their Groups are registered in Tadi Rural Municipality.

In response of Covid-19, CarNetNepal initially conducted awareness raising and informational sharing support. From 23 of March, CarNet supported food relief in partnership with Networks and ward/Municipality level government. Especially in Urelni, Tadi 1 – Nuwakot, CarNet with Tadi ward no. 1 applied the "Food for Work" approach in Covid-19 food relief response.

CarNetNepal Introduction

Children At Risk Network Nepal (CarNetNepal) was informally formed on February 14, 2002 as a result of the "Children At Risk" (C@R) conference, held at Staff College, Jawalakhel, Lalitpur in 2000. The conference was organized in collaboration with Viva, Compassion International (CI) and Nepal Christian Society (NCS). In the conference, there were 300 representatives from different districts of Nepal.

In the inception, the vision of CarNetNepal was to be the voice of the voiceless children and networking among the child focus organizations. After the vision for C@R was rooted deeper, it was realized that CarNetNepal should play significant role to address the need of those Children at risk by strengthening and mobilizing the communities to help and support the Children at Risk.

Later on, in May 2005, it was officially registered with the Government of Nepal as a non-profit and non-government social organization at District Administration Office (DAO), Lalitpur under the Act 2034, and was granted registration number 187/61/62. CarNetNepal is also affiliated with the Social Welfare Council (SWC). The affiliation number is 18114.

CarNetNepal is the associate member of Viva Network and a member of NGO Federation of Nepal.

Our Vision, Mission and Core Values

"Children at risk being holistically restored."

To advocate on behalf of the children at risk, protect their rights and release them from all kinds of poverty, exploitations and abuses, through building coalition Network with like minded child focused organization and community and seeking support from Government of Nepal.

- Dignity of children
- Team Work
- Speaking up on behalf of the Children at Risk
- Love, Respect and Compassion
- Honesty/Integrity.

General Assembly

The General Assembly of CarNetNepal comprise with 31 members. This GA approves the annual plan and budget as well as ratifies any policies and by-laws to be enforced for the organization. It also elects and appoints the Executive Committee members and appoints an Auditor to audit accounts.

Executive Committee

The Executive Committee comprise with 9 members, nominated by the GA for the tenure of three years. Since 24 Aug 2014, EC is being led by the Chairperson, Rev. Samuel Sodemba. The role of the EC is to guide the organization to achieve its Mission, Vision and to formulate policies for good governance and smooth operation

The Executive Committee generally meets in each quarter to monitor the program activities and to provide guidance for improvement. Executive Director (ED) submits Annual Plan and Budget to the EC, then will be forwarded to the General Assembly (GA) for ratification. After the approval of the GA, the ED executes and implements the Annual Plan. For the effective implementation of the program and optimal utilization of the resources, the EC supports the ED

The Treasurer of CarNetNepal oversees and checks the financial transaction periodically and provides necessary guidance.

Strategic Road Map of CarNetNepal

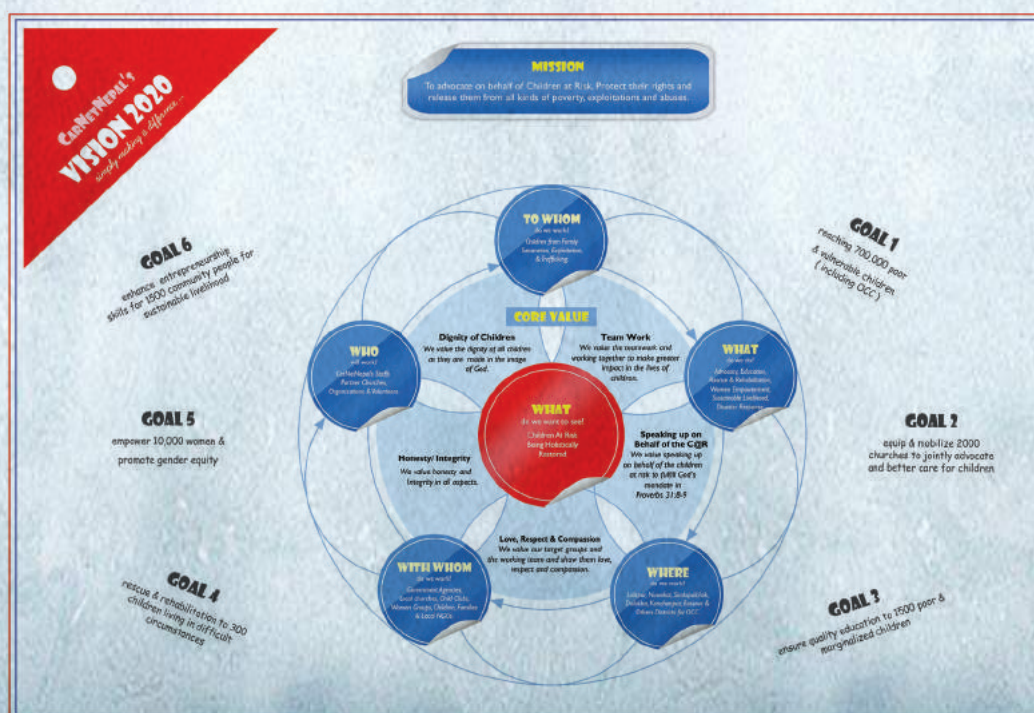

CARNET NEPAL CHILD RISK PREVENTION STRATEGY (DIAGRAM) TO MEET THE OVERARCHING GOAL 2020

CarNet Nepal Operating Modality

All of the CarNetNepal's projects are strategically directed by the Vission 2020.

VISION 2020

NETWORKING

MINISTRY SECTORS

CarNetNepal is networking organization working for the right, dignity and protection of children who are at risk and vulnerable. It operates its functions through network among the like-minded organizations, faith based institutions and individuals. While working with networks, it operates its program in four parameters:

Connecting programmes:

CarNetNepal is conducting monthly prayer meeting for children at risk. Network members, friends and likeminded people are joining the prayer. In the meeting harsh situation of children are informed and prayed for their solution. To this very date we have 146 individuals, 97, faith based institutions, 32 organizations, 9 children homes are in our Network. These FY 14 new members have joined the network. A directory has been made and updated regularly regarding this, which is used for the referral mechanism. For referral system, CarNetNepal has relationship with semi-government agencies. CarNetNepal keep connects with it's members and other people via websites and Annual reports and program report.

Capacity Building Programmes

To yield better output or sustainable impact, Network capacity is to be build up, depending on the context and changing environment. CarNetNepal has promoted the Child Protection or safeguard within Network, faith based instituion and school. Focusing on the Child Safety, Orientation on 'Children in Families' provided to 50 Network partners to raise awareness family based child care in the community and capacitated to run awareness campaign on orphanage trafficking. ToT on Flourish life skill program for 21 partners. The trainers are practicing the skills in their respective fields. Robust financial policy, HR Policy, Child Protection policy, Procurement policy are developed and endorsed by the Board Members. Within the Board Members, HR Members, Procurement Members are selected. The policies are to be refreshed after 3 years. Staff are also trained on Child Protection training and legal process. Collective Action Programmes

Collective Action Programmes

CarNetNepal has run Child Learning Centers, which supports underprivileged children tendency to be in risk. They are provided, extra tuition, snacks and school uniforms and bags. In CLC children are engaged in extra-curricular activities. Due to the CLC, children are regular in class and improved their learning and changed behaviours. CarNet conducted Christmas Party for 250 children with the support of Viva, in partnership with Hope Mission, Nawa Bihani Nepal and International Need. Children from 18 networks attended the party. Likewise a Children concert was conducted in partnership with Children Ministry Partner Network between 336 children. With the support of Viva, Tear Netherland and SP Canada relief programmes were conducted, Total 738 HHs with acute food need are served with food and personal hygiene materials amid.

City-Wide Influence Programme

On the occasion of 55th National Children's Day 333 children and 67 adults are involved in raising awareness on child rights and child protection issues. 100 community people participated in rally to raise awareness on anti-human trafficking in Urleni Village, Nuwakot District (one of the prone area for human trafficking) on the occasion of 13th National Anti- Human Trafficking Day organized by CarNet formed Self Help Women Groups, Around 500 children and 250 adult joined World Weekend of Prayer for Children at Risk this year: Due to the global pandemic covid-19 and strict lockdown, this year we took the online platform- zoom to celebrate this year prayer. 150 devices are connected with us in zoom from all around Nepal (mostly from Caital). Sani Anti-Human Trafficking & Orphanage Trafficking Awareness Campaign run by 50 networks between 4,280 community people in Kathmandu.

13th National Anti-Human Trafficking Day Celebration rally organized by 4 SHGs in association with Tadi-1 Ward Office in Urlenj, Tadi RM, Nuwakot.

6612
People

Achieved for FY 2076/2077 (2019/20)

It is to advocate on behalf of the children at risk for their holistic development through empowering and equipping the community groups and decision makers to protect the rights of the children and release them from all kinds of abuse, exploitations and poverty.

100
Community
Leaders

100 community leaders are oriented on 'Children in Families' and trained on 'Sani Anti- Human Trafficking & Orphanage Trafficking Awareness' Toolkit.

4000
people

Reached around 4000 people with the awareness message on 'Anti-Human Trafficking & Orphanage Trafficking'.

24
Community
leaders

24 community leaders are trained as a Mentor to run a value-based life skills course between 500 adolescent.

333
Children
& 67 Adult

333 Children and 67 adults marked their presence in the 55th National Children's Day Celebration.

- 60 women are aware on safeguarding issues and anti-human trafficking.
- 13th National Anti-Human Trafficking Day Celebrated between 100 community people.
- One Ward level Child Right Committee formed.

CARNETNEPAL'S EFFORT IN ADVOCACY

Children in Families Orientation Program:

'Children in Families' is a programme to raise awareness on anti-human trafficking and orphanage trafficking happening in the community and to promote family based care for children in need. This FY CarNet reprint it's Trafficking awareness flip chart including orphanage trafficking and conduct orientation program on 'Children in Families' between 96 community leaders from 50 different Institutions, NGOs' and Children Homes. These leaders are provided with trafficking flipcharts to raise awareness among families, alternative child care home and community. Later they reached around 4000 people with the awareness message.

Safeguarding and Anti-Human Trafficking Awareness

Safeguarding is the action that is taken to promote the welfare of people- especially children, young people and vulnerable adults, to live free from abuse, harm and neglect. CarNet run safeguarding and anti-human trafficking awareness session among its 4 SHGs including 60 members.

National Children's Day Celebration

In association with Tadi-1, Tadi RM, Nuwakot Ward Office, Sundara Basic School, Sundara Child Club, 55th National Children's Day was organized and celebrated in the presence of 400 people in Tadi-1, Urleni, Nuwakot. "सुनिश्चित बाल अधिकार, समृद्ध नेपालको आधार" was the slogan of the year. On this special occasion children showcase their talents through singing, poem reciting, dance and drama. With each of their performance they are sending messages on children rights and protection. During the celebration all 333 participated children are gifted with stationaries (copies and pen) and 15 children from poor economic background, selected by School Management Committee of Sundara Basic School are presented with NRs. 2000.00/- as a scholarship amount to buy school uniforms and bag. Ward Chairperson- Nakur Dong Tamang, Ward members, School Teachers, Child Club Members, Parents have marked their presence in the programme.

National Anti-Human Trafficking Day Celebration

On 7th September, '13th National Anti -Human Trafficking Day' was celebrated among 100 people in Tadi-1, Urleni, Nuwakot. The event was run by the members of 4 Self Help Groups at the premises of Tadi-Ward Office. Mr. Ram Tamang- Ward Office Representative was the Chief Guest. Ward members, child club members, students, teachers, health post staff and other community leaders marked their presence in the programme. They made rally around the village displaying play cards with anti human trafficking message. In this special occasion songs, dance and speech were presented by SHGs and child club representative members on anti-human trafficking, abuse and unsafe foreign employment.

Child Right Committee Formation

Child Right Committee comprising seven members was formed in ward (Tadi 1), the members are from Ward Office, School Management Committee, Political leader and Child Club. In previous administration structure there was VCPC (Village Child Protection Committee), and after restructure, there is now CRC to the RM level, headed by the Vic-Chairperson of the RM. Since there is no clear guideline to form CRC in ward level, however understanding the situation of the particular place CRC of Ward Level has been formed. The CRC is like watch-dog in regard to the Child abuse and trafficking cases. The committee members are vigilant and supports in case of emergency and abuse and trafficking cases. There is provision of certain sizable fund for any emergency support cases for the abuse or any trafficking case, and still planning is going on to deposit the amount to ward level CRC. So far in the Urleni, Tadi ward no. 1 there has been no any child abuse or trafficking cases reported.

Flourish Life Skill Training of Trainers (ToT):

Teenagers face many critical opportunities, challenges and responsibilities as they grow into adulthood. Teenagers are the valuable assets of our community. This program supports them by introducing knowledge, skills and attitudes that they need to keep themselves healthy and safe, and to prepare for life as valued members of their communities. There is good evidence that teaching teenagers to stay safe and healthy, and building self-esteem, resilience and empathy can contribute to tackling barriers to learning, raise aspirations, and improve the life chances of the most vulnerable and disadvantaged. The goal is to see adolescents thriving and growing into flourishing adults. To provide a framework of life skills rooted in values and principles that gives teens an opportunity to flourish into adulthood, in partnership with Viva, CarNetNepal have organized 3 days Training of Trainers (ToT) on 'Flourish Life Skill to Mentor Adolescents' from 4 – 6 March, 2020. A number of 24 participants (Male: 14, Female: 10) from 21 different institutions, NGOs and Children Homes took part in the training. Experts from Viva India- Mr. Gary Kamaal and Mr. Devesh Harish Lal facilitated the training. It's been made possible thanks to support from Viva, Hong Kong! These trained trainers will reach and mentor 500 children and trained them on 'Flourish Life Skills' so later they can unite to protect them and promote the creation of a safe environment in the community.

**“Hosting formal events developed
my confident and leadership skill”**

- Shashi Tamang -

Ms. Shashi Tamang of 16 years lives with her parents and a younger brother and a sister, at Urleni, Tadi 1, Nuwakot. Their livelihood depends on agriculture. She is now in grade 9 studying in Sundara School of Urleni. She is active student and Vice-Chairperson of Sundara Child club of the same school. Earlier she was a nominal member of the child club however she had deep interest of being an active member. Due to her shy nature, she used to be nervous and had low self-esteem, thus she could not perform extra-curricular activities well.

On 7th of September 2019, women's Self-help group of the same village organized Anti-Human Trafficking day at Urleni. CarNet staffs asked her to participate and present some songs from Sundara Child club. At first, she was hesitating; later on, she agreed and participated in the event. She performed well, with relevant songs, which gave her confidence to perform in front of mass and audiences. In next event on 15th September, Child club organized National Children Day celebration program in technical support of CarNetNepal team. They celebrated the event with various program leading by Sundara Child club. A meeting was held with the child club before the event. In the meeting CarNetNepal staff asked Sundara Child club to host the program. During the meeting, Ms. Shashi Tamang showed her interest to host the program. CarNetNepal staff facilitated her to host the formal program and after a day of full preparation, she became ready to conduct the program in the next day. That day she conducted the program very well. She was very happy in her successful effort; it was her first time conducting the program in front of mass. Everybody there appreciated and congratulated her after the program.

According to Ms. Shashi Tamang, these opportunities conducting and performing in events really helped her to gain confidence and leadership skills. She expressed, in future she will do better, she thanked to the child club team, school teachers and CarNetNepal staff. Ms. Shashi recently joined ward level Child Right Committee as a member. Through CRC and Child Club Ms. Shashi is looking forward to work more to create safe environment for children like her

Advocacy & Networking Gallery

EDUCATION SECTORS

Omega Child Learning Center, Kispang-5, Nuwakot- Supported by Viva- Together for Children

425
People

Achieved for FY 2076/2077 (2019/20)

CarNetNepal believes that education is the burning symbol of civilization. The lack of education has pushed the children and the families into vulnerabilities of trafficking, exploitation and abuse. CarNetNepal supports vulnerable children for schooling. It also builds the capacity of the community schools to achieve the goal "All children in Schools."

CarNetNepal's Efforts in Education

CLC

CarNetNepal run 1 Child learning Center (CLC) in Nuwakot. 25 Children from Poor economic condition, marginalized and uneducated family have benefited from the program. Most of the children are from Tamang, Gurung (indigenous) and Dalit (Untouchable) community. As, most of the parents were alcoholic, unemployed and uneducated, children's were irregular to schools and left in the home/community in different vulnerability. Now all the CLC children are regular in school, studying well and developed habit of keeping themselves clean themselves. Through CLC, CarNetNepal is providing basic educational materials, school uniform, one-time meal and free tuition to the children aiming to promote child right to quality education and to reduce school dropout rate.

Educational
Materials
Support
to School

This FY CarNetNepal supported 1,998 copies and 1,665 pens to Shree Sundara Basic School of Tadi-1, Nuwakot. 15 students from the same school received scholarship amount NRs. 2,000/- each. This supports are made in order to promote the importance of education among children and to reduce school dropout.

Child
Club

CarNet is supporting Sundara Child Club to run its monthly meeting and activities. Sundara Child Club has 20 members. They are involved in awareness raising activities on child right and child protection within their school and communities. Like previous year this year too they run National Children's Day program in their Ward. Soon they are officially registering in Tadi Rural Municipality, Nuwakot

At a Glance (Overview of Education)

1. Running one CLC.
2. 25 children are enrolled in CLC programme.

CLC Helped to Secured First Position

Sikha Tamang, age 8, lives in Kispang Rural Municipality-5, Karkigaun, Nuwakot, Nepal (4.5 hrs bike ride from Capital to Karki Gaun). Majority of people in her village are from Indigenous Tamang community and then so called lower caste B. Ka community. Both communities are considered most vulnerable in the region due to their poor economic background, less access to education and traditional lifestyle. These community people depend on seasonal daily wage labor jobs. In absence of job opportunities and less education, the young men and women often end up with low pay job in gulf countries. Traditionally, most Tamang and B. Ka. people indulge in alcoholism and do not have records of being involved in high professional jobs except few. Early marriage is a big issue in this community (before completing their basic education), resulting to inadequately managed family.

In order to promote child protection and education in the village CarNet started Child Learning Center (CLC) with the help of local community leaders. In CLC children from poor economic, single parent, socially excluded family children are provided with after school tuition, one time meal, school stationaries and uniform. Shikha is one of them. Before her enrollment in CLC, her mother was facing difficulty to send her two daughters to school, as her husband was not supporting financially despite being in a gulf country for work for many years. Her only income source is her small fast food shop in the village, which is not enough to cover all the expenses of the family. Despite being good at study, Sikha started to miss classes in absence of educational materials. The school management got worried, as they are soon going to lose one of their best students. On the other side, Sikha's mother did not want her daughter to end up with the same fate she had. Her mother got married at an early age of 14, when she was studying in class 5. She wanted her daughters to complete their higher studies and looking for support in school for her daughters. After knowing the situation of Ms. Tamang, the school Principal of Shree Jay Buddha Basic School-Navraj Bhatta recommended Sikha to CLC.

Sikha is a bright student studied in grade 3 but at the beginning of her days in CLC, Sikha used to stay quiet and less active in CLC activities. As days passed by she started to opened up and actively take part in games and arts. She made new friends and love to play with them. Sonika, Minsa, Manjari and Prabin are the new close friends she found in CLC. Sikha always good at her study but now her studies has improved even more. Even when CLC's day off she come to meet her teacher in CLC and take her help to completed difficult assignments. According to CLC teacher Kumari Tamang, "Sikha is a sincere student. She completes all her work on time and helps other in their studies. In the first terminal school exam, Sikha has secured first position in her class and received first prize from her school and encouragement gift from CLC."

According to Sikha's mother, "Sikha used to be a naughty child at home, who did not listen to her and used to disobey her but now she is more obedient and helped her to do small household chores. She helps her by saying that CLC teacher has taught them to be good at home and help their parents. Time and again she teaches her mother about personal hygiene." Last month Sikha was appreciated in CLC for showing improvement in her personal hygiene and being neat and clean. Sikha mother said that CLC has taught her daughter skills of understanding the situation of her surrounding she has never expected in her age. Her daughter learned to share her things with others after her enrollment in CLC. She is happy to see her daughter's improvement not only in studies but also in extra curriculum activities.

GIRLS/WOMEN EMPOWERMENT

Self Help Group- Women of Tadi-1, Nuwakot are conducting rally to raise awareness against human trafficking on the occasion of 13th Anti-Human Trafficking Day.

People

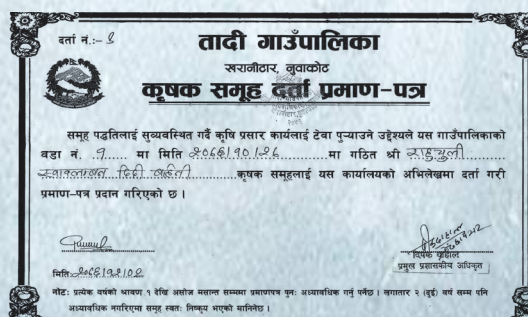

Achieved for FY 2076/2077 (2019/20)

Women are often not heard and are voiceless resulting in many cases of abuse, trafficking and exploitation. These women have to be educated and empowered to enhance their decision making and development capacities. This can protect their children from being abused or trafficked.

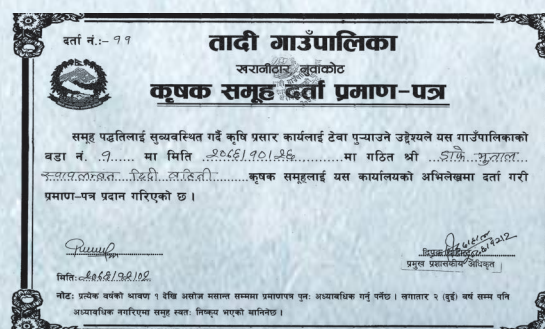

1. 60 women are enrolled in 4 SHG.
2. 60 women received orientation on 'Safeguarding' and 'Latest trend of Human Trafficking'.
3. 60 women received passbook to record their financial transaction.
4. 4 SHGs are linked and duly registered in Tadi RM, Nuwakot and supported with stationaries.

CarNetNepal's EFFORT IN GIRL'S/ WOMEN EMPOWERMENT

Empowering Self Help Group: CarNetNepal has formed four Self Help Group (SHG) of women in Tadi 1, Nuwakot namely i. Sundharadevi, ii. Rahuchuli iii. Himchuli and iv. DanfeMunal . Each group is comprised with 15 members. These members were selected during the initial phase of the project as very vulnerable and highly economically challenged families, on the basis of Base-line-survey (conducted on 2017).

CarNet has capacitated Self Help Groups in terms of Anti-Trafficking, Child protection, child abuse, sanitation and hygiene. They have been provided technical and financial support for income generating and Saving & Credit. This fiscal year the SHG members are trained on social issues related to women empowerment and child protection. Regarding their household, they were provided training on personal and family financial management and make them understand their crucial role in community development. They have been provided necessary documents and stationeries to run their saving and credit.

The SHG members collect Rs. 100/- per month, per person and saves in their fund. They borrow the amount as loan and repaying the amount with interest @ 12% per annum. To this very date the collection has reached nearly NPR 1, 54, 000/- in book. Considering the sustainability of the SHG in Tad-1, CarNetNepal has supported SHGs in registering at Tadi Rural Municipality. After a tireless exercise the work of registration was completed and received certificate from the Tadi Rural Municipality.

THE REAL SURVIVOR OF HUMAN TRAFFICKING - SHG Member- Rita Tamang

Ms. Rita Tamang (name changed) age 34-year married at the age of 19. After 5 months of marriage her husband passed away. In absence of bread owner, she faced difficulties to run the family. During the financial crisis one of her cousin sister suggested to sell all her gold jewelries gifted by her husband. In order to sell the jewelries her cousin suggested Ms. Tamang to go to Kathmandu where she can also get job in the carpet factory. Agreed on her suggestion, Ms. Tamang came to Capital with her cousin sister.

Ms. Tamang hoped for better days while coming to Capital. According to Ms. Tamang, she dreamed to start a new life in capital but all her dream broken to pieces when she found herself in the brothel of India. With a promise to have better job and an opportunity to earn lot of money she came to India but found herself sold as a sex worker. According to Ms. Tamang, she was the youngest among all the women in the brothel. For all day she was used as an object to give pleasure to the client's physical desires. Even during the worst health condition, she was supposed to present desirable in front of clients and have to serve them. Days when she denied the clients, the pimp used to beat her.

After three years, Ms. Tamang was able to come out from the hell life. Going through some serious health issues the brothel owner allowed her to go for treatment. Ms. Tamang came back to Nepal and got her treatment in Kathmandu. After a few weeks Ms. Tamang returned back to her village, Tadi-1, Umleni, Nuwakot District (CarNet working area). Good news is she was welcomed by her family and supported her further treatment. At the age of 24 Ms. Tamang again got married. She is now 34 years old and living with her husband, twin daughters (6 years old) and a son of 10 years at Umleni. Ms. Tamang village- Umleni is one the prone area for human trafficking. In order to address this issue, in the year 2017 CarNet intervene with 'Child Protection Project' supported by Tear Netherland. Through a base-line-survey, 60 HHs are selected as very vulnerable and highly economically challenged. In order to improve these families living condition and protect their children from abuse and possible trafficking, CarNet formed four Self Help Women Group (SHG). 60 women from these 60 HHs are the member of these SHGs. Through SHGs they are empowered by providing awareness on child protection issues, anti-human trafficking, training on saving and credit and funds for income generation activities.

Ms. Tamang is one of the active members of Danfemunal Self Help Group (SHG). She opened up with her story much later after her involvement in SHG. According to Ms. Tamang, most of the women in her community are very shy and lack of confidence to speak out in front of group. She said "Before joining SHG, I also lacked confidence and hesitated to share my story with anyone but after joining SHG, I got the opportunity to learn many things on child protection, human trafficking, women right etc. which empowered and build my confidence. During the anti-human trafficking awareness class run by CarNet staff, I realized the importance of sharing my story with my fellow SHG sisters and in the community. That will raise awareness and will help to prevent such incidents, which was happened to me during in my early adulthood. I felt if this kind of learning, I had 10 years back, then I would have a different story to tell, a better story. "

(To protect the identity of the subject, her photo is not placed)

SUSTAINABLE LIVELIHOOD

Self Help Group- Members on goat farming business.

60
People

Achieved for FY 2076/2077 (2019/20)

People in the communities are being oppressed and are suffering without adequate knowledge and skills. CarNetNepal provides skills and knowledge to the poorest of the poor families in doing a collective business on livestock to improve and sustain their livelihood.

1. 60 SHGs members are involved in improvised goat farming vocation.
2. All 60 goats purchased from seed money are insured in Shikhar Insurance.
3. Commitment of contributing 1,000 NRs. from the income of new offspring from the received mother goat in SHGs group account.

Goat Rearing with Managed Shack

Ms. Kanchi Maya Tamang, resident of Urleni-1, Tadi Rural Municipality, Nuwakot is one of the active member of

Himchuli Self-Help Women Group. Her family was chosen with other 59 HHs in Urleni for sustainable livelihood programme of CarNetNepal. On June, 2019 she received goat rearing training and seed money to start a goat farming business. She used that seed money to buy a female goat and committed to run goat farming for income purpose and hoping to spend the money generated from goat rearing business to her children education in future.

She applied the knowledge & skill received from the training at her home to rear the goats. Like, managing goat shed, feeding shack and timely vaccination for all her goats. She has added one more female goat in her shed. She said "I used to rear the goat with traditional way but after the training, I learnt that this is better way for goat rearing with managed shed and insurance of goats. The goat insurance made me feel more secure for goat rearing. If it is loss due to any cause then I could receive money from insurance company to recover my loss."

On February 2020, CarNetNepal has supported for insurance of 60 female goats with the technical support of Shikhar Insurance. It will help them to feel more secure for goat rearing. Now her female goat gave birth and she has one more goat in her shed. She is happy to rear goats in proper way. She is thankful to CarNetNepal for all this support.

EARLY COVID-19 RESPONSE

4,514
People

Achieved for FY 2076/2077 (2019/20)

After the second case of Covid-19 identified in Kathmandu on 23 March 2020, the government immediately enforced strict lockdown, sealing borders, transportation even walking on foot. The situation especially in the urban area underwent very harsh. Initially, migrant workers began to flee from Kathmandu to their original place on their own foot, carrying their children on back with limited provision, some travelled 300 to 400 km, 4 to 5 days.

As the covid-19 was new type of pandemic, many rumors and misinformation spread out in Nepal, which caused havoc among the general public. The impact of crisis affected many dimension of lives, deteriorating family structures, mental health, job cutoff, disruption of daily activities, closure of educational institutions, financial crisis and finally economic depression. As per the UNDP, one fifth of jobs or medium level enterprises will close down. And UN-WFP reported Nepal will undergo food crisis and 10% of population will be in severe food crisis.

1. Reached thousands of people with covid-19 awareness messages.
2. Reached 738 HHs (4,514 people) with relief food and personal hygiene materials.
3. Supported 1 Hospital, 1 Health Post and 1 local NGO with Hygiene & Sanitation Materials.
4. Reached 50 differently abled people with relief items.

(Overview of
Early Covid-19
Response)

CarNetNepal's Effort in Early Covid-19 Response

In response to Covid-19 pandemic, CarNetNepal initiated different efforts; information sharing, awareness raising, psychosocial support, protection and relief programs focusing children and families.

CarNetNepal initially conducted, sharing right information on covid-19 to its network members, children, and families via different social network media. Especially for the children, CarNetNepal collected and disbursed, Child friendly information, in this regard; CarNetNepal staff were involved in developing different Child friendly awareness information. CarNetNepal also assist 'Operation safe International' in translating covid-19 awareness story book for children 'Fear Not' in Nepali language.

As the cases of sexual violence increased in the lockdown period, CarNetNepal worked on awareness raising against the same. It encouraged network members to respond such issues by reporting them to related government authorities. Network members are provided with awareness materials on child protection and encouraged to teach their children about it and provided them with child helpline number. On 22nd and 23rd April, CarNet distributed relief food and hygiene items to 60 needy families in Lalitpur district. This was supported by Viva-together for Children. The relief program was conducted in partnership with Tikhidewal-14 Ward Office of Lalitpur 14. Mr. Ram Babu Mahat, Ward Commissioner of Lalitpur Metro Ward no. 14 started the program by distributing the relief items.

Food Relief Support at Child Learning Center

CarNetNepal is running Child Learning Center (CLC) in Kispang Rural Municipality- 5, Nuwakot district. Due to the lockdown the CLC remain close from 24th of March 2020. The Chairperson of CLC, Mr. Kishan Tamang, requested food relief for the 25 children families of CLC. So, CarNetNepal using the fund of CLC, supported the food relief to the 25 needy families.

Food and Sanitation Material Support in Bidur, Nuwakot

CarNetNepal conducted a relief program in June 2020, in Bidur, Municipality, Nuwakot. The program was funded by Samaritan's Purse Canada. Due to the Covid-19 pandemic, it crippled the economy and general lives of Bidur Municipality. The relief program was conducted in partnership with CarNet Networks in Bidur, Nuwakot. A number of 473 families were supported with food and hygiene materials. The health post of Tadi-1 and Kharanitar Hospital of Tadi Rural Municipality were supported with hygiene and sanitation materials. The number of beneficiaries are; girls age upto 18 are 446, boys age upto 18 are 429, Women 848, men 880. 3 disable children were supported with school dress, education materials and food items. The ward commissioner of Bidur - 4, conveyed his thanks to CarNetNepal. The two health posts also as sent 'Thank you' letter to CarNetNepal. The best part of the relief response was, delivering the relief support to the disable people at their residence.

Relief support to 180 families at Tadi 1, Urleni, Nuwakot

Due to the lockdown the transportation system was strictly blocked, henceforth food crisis was experience in Urleni, Tadi 1, since it is the remotest location from Bidur (town). The Ward Commissioner Mr. Nakurdong Tamang has requested food relief for 120 families, adding the number of CarNetNepal formed Self Help Group Members (60). The number went to 180. The fund was supported by Tear Netherland, and the budget was allocated from Child Protection Project of 3rd year. The project name was "Covid-19 Relief aligning Child Protection".

Looking Forward to Better Covid-19 Free Days

26-years-old, Mrs. Sabina Tamang is a resident of Kalche, Tadi Rural Municipality, Nuwakot. It takes 9 hrs vehicle ride from Capital to reach Kalche. It is one of the remote villages of Nuwakot Districts. Like other part of Nepal, Kalche also been affected by the covid-19 pandemic and the countrywide lockdown. According to Nakur Dong Tamang-Ward Chairperson of Tadi-1, where Kalche located, "Except CarNet no other organization come forward to provide relief support to the needy families of Tadi-1". On June 30 CarNet distributed necessary basic food items and personal hygiene kits to 170 HHs of Tadi-1 including 60 HHs from Self Help Groups formed by CarNet in Tadi-1.

Ms. Sabina is one of the members of Himchuli Self Help Group. She is now 7 months pregnant. On the day of relief distribution she came to receive relief along with her small son. According to her, "she is living with her husband, 3 sons and one relative. They work at field and have small piece of land with steep terrain. The production cannot hold them for 4 months so rest of months, they run the family by working on others field but due to covid transmission fear, now they are not welcomed/ allowed to work on other's field. In this situation they are facing crisis and in acute need of food support."

The time when Sabina heard about CarNet relief support, she hoped to get them. Early morning, She came to the distribution centre with her 6 year old son. Along the way she was very anxious thinking whether she gets them or not as there are many households in her community who are in need of relief support. Finally, Ms. Sabina received relief food and personal hygiene materials but the difficulty was she can't carry them all, as they are heavy (30 to 32 Kgs) as she is pregnant. Knowing her situation CarNet Programme Coordinator and Ward Chairperson-Nokur Dong Tamang called her relative to carry the food.

Ms. Sabina find this gesture very warm as she is not expecting anyone from distributing party to take care of how she will manage to take those relief items in her place. She is grateful, as they are in much need of this support. She has a kind of relief while expressing, "For some time we don't need to worry to feed our children." Sabina is looking forward to better covid free days.

Addressing Selina & Her Family Acute Food Need

Ms. Selina Mijar, age 12 lives in Bidur-5, Majhitar, Nuwakot, with her elder sister. She is studying in grade III in local school. A tragic incident happened on her family, two years ago, her first elder sister committed suicide. The incident strongly affected her mother, causing loss of mental state and left home to Kathmandu. Still there is no any contact and information of her mother. Meanwhile Selina's father married another woman, who ill-treated her. After few months the both parents (her father and stepmother) left home. Thus, leaving, Salina and her second elder sister in pitiful situation. Till this time the parents do not come to home and take cares for them.

According to one of our Nuwakot Network Member- Ishwor Pudasaini, Ms. Selina is suffering from PTSD (Post-Traumatic Stress Disorder) and sometimes with hallucination. So, she had tried many times to commit suicide. They are living in very harsh lives, to earn bread; her sister goes for working on other's field in cultivation (only seasonal). Selina's behavior was quite difficult, not staying at home, running and roaming around due to the stress disorder. According to Selina, both sisters sometimes used to beg for food. And during the lock-down of covid-19, their situation became even worse, staying few days with empty stomach. While begging for food house to house, people scold them, that they might transmit coronavirus.

Understanding their tragic situation Mr. Pudasaini recommended her name to CarNetNepal to provide the relief (to disable children). On June 27, 2020 CarNetNepal provided relief materials to Selina in order to address their acute food need as well as to encourage Selina for her studies. Following are the list of the materials supported by CarNet:

Items	Type/Unit	Qty
Rice	Kg	25
Lentils	Kg	1
Oil	Ltr	1
Salt	Pkt	1
Beaten Rice	Kg	1
Soya Bean	gram	300
Hand Wash Soap	Pcs	2
Toothpaste	Pcs	1
Sanitary Pad	Pcs	2
Copy	Pcs	36
Pen	Pcs	31
School Uniform (Shirt, Pant)	Set	1

After receiving these item Selina and her sister felt immense joy that give them hope for the future. Selina and her sister expressed their gratitude to Samaritan's Purse Canada and CarNetNepal for the relief support.

(For Selina case, CarNetNepal has contacted with ECTC for her psycho-social support, however due to the travel restriction, personally social support is difficult, still we are trying to arrange for distance support)

“

39-year-old GopiMijar is a resident of Bidur ward no.3, Nuwakot District. He used to live in Bidur Bazaar, as a cobbler to earn for living. Gopi is stunt and disable by birth. During the lockdown tragic things happened upon him, firstly his wife left him (forever), secondly, his cobbler shop got closed, since then he could not pay the rent of the room. So, he closed the shop and went to live near his village opening a small shop, with his 7 years old son. Due to the lockdown there was no any earning. As the crisis grew tougher, Gopi and his son spent many days with empty stomach. In their difficult and harsh situation, CarNet with it's network partner in Bidur, Nuwakot supported them with relief food and personal hygiene items. The relief items will sustain for two months. In this regard, Gopi extend his thanks to Samaritan's Purse Carnada, CarNet and its network partner.

”

MEDICAL CAMP

434
People

Achieved for FY 2076/2077 (2019/20)

Health worker interviewing patients at health camp at Jugal 5, Sindhupalchok.

CarNetNeapl supported two days of "Free health camp for cervical cancer screening, STIs and HIV testing" at Jugal Municipality 5 of Sindhupalchok on 1st and 2nd Feb 2020. The camp was organized and designed by Shanti Foundation and Jugal Rural Municipality-5 of Sindhupalchok, with technical support of Family Planning Association of Nepal. The financial support was commenced by FIVE14 Nepal, CarnetNepal, and Dream Incubator.

Initially the idea was initiated by the resident of Jugal 5, where a large number of adults are migrant workers especially in India. And after they returned from India, mostly are infected with STD and HIV/AIDs. Since the area is quite remote with very minimum health facility and government infrastructures, people are suffering from health problems.

A total of 434 people participated in the health camp presence of female (85.02%). Even though this health camp was more focused to women, (14.97%) of males were also provided with the services of general check-up and HIV testing. Highest 58.98% number of participants belonged to the age group of 19-45 years of age followed by 28.57% number in the age group 45-65 and only no participant were found to be HIV positive. Majority (51.84%) of the participants were from Janajati caste. More than half of the participants i.e. 70.5% were not educated. Most (91.93%) of the participants were married

Overall the camp on cervical cancer, HIV, STIs and uterine prolapsed screening test including general health camp was successfully achieved with the total of 434 participants in the health camp. Women living in and around Dhadewho were more prone to STIs, cervical cancer and uterine prolapsed got the access to services. Positive VIA, STIs, uterine prolapse cases were regularly follow up and were provided with further treatment and medication support. The status of health condition as found in health camp was reported to local government. Thus, the findings of this health camp showed that females at Jugal rural municipality had high number of cervical cancer, STIs and uterine prolapsed.

In FY 2076/77 (2019/20)

CarNetNepal's programs were carried out by 9 staff members and now the number has been reduced to 7 after restructuring.

Financial Management System

Accounting and Transparency

The core value of CarNetNepal is to be transparent in every aspects of financial transaction. CarNetNepal believes that transparency in all aspects makes the organization healthy and sustainable. The organization submits approved projects plans and budgets from the General assembly to the respective government bodies and Social welfare Council (SWC).

CarNetNepal has been following Cash and accrual basis accounting system. It has got strong Internal Control System (ICS) and Audit trail. The separate Donor accounts & internal organization accounts are maintained accurately. CarNet conducts yearly External Audit. The organization has own Financial policy, Procurement policy, Anti-corruption policy which are strongly followed. However we also follow partner's policies and compliances. The Financial department keeps its financial transaction records in accounting software (Moneyworks Vr.8) and manually tracking each other makes transparency and accountability. The transactions are recorded as per the donor-wise, project wise and sector wise. The organization is accountable towards its Executive Committee, Donors, Partners and Government authorities, beneficiaries and concerned stakeholders. Every month CarNetNepal submits the progress and financial reports to respective donors and partners. The organization submits quarterly, bi-annually and annual separate and consolidated financial report to the local government authorities.

How we are funded?

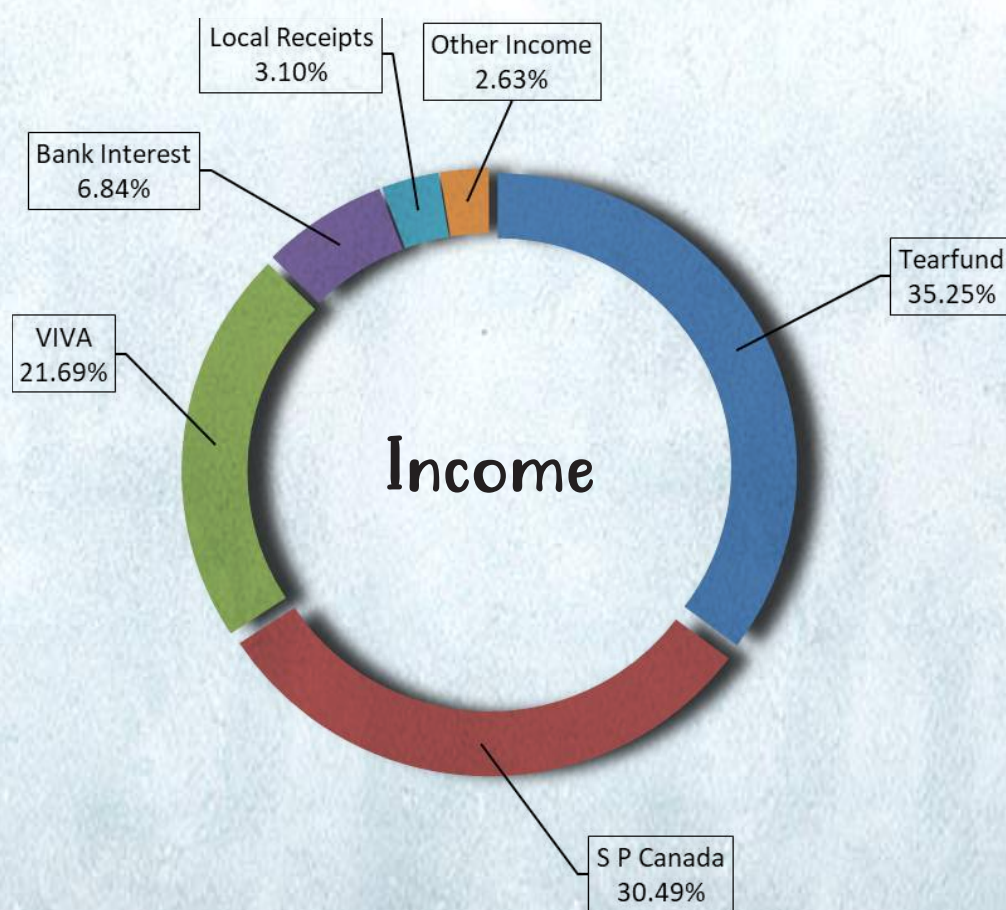

CarNetNepal has been funded through local and international funding partners including

- **Local contribution**
- **Viva**
- **Tearfund**
- **Samaritan's Purse- Canada**
- **ACCIR Kinected Australia**

Income and Expenditure

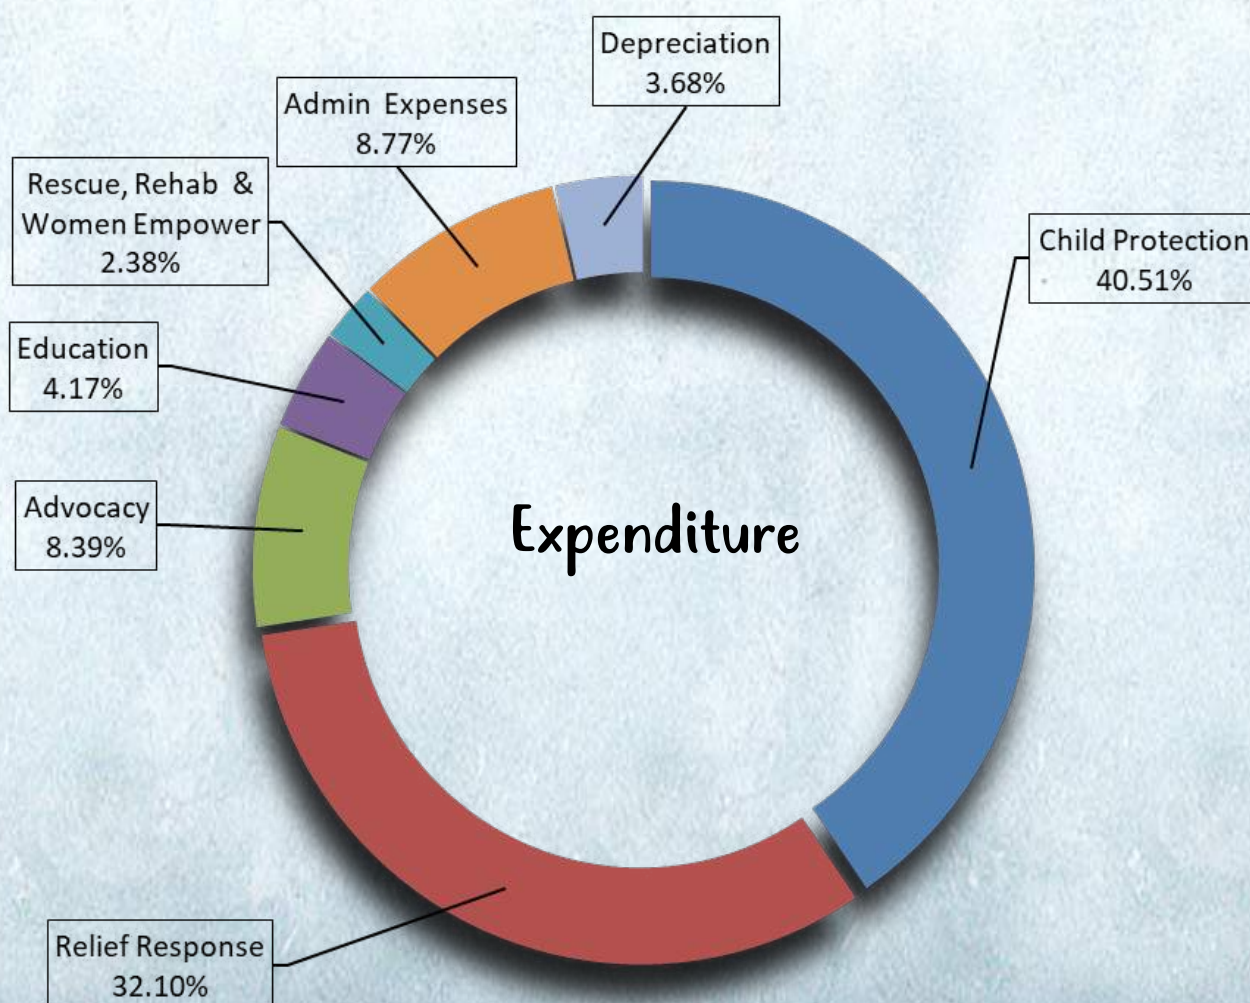

Income

7	Depreciation	304,635.02	3.68%
	TOTAL	8,270,977.52	100.00%

Challenges Faced

1. The early monsoon in this year has caused many landslides, roads to the field are crumbed down in many places thus travelling became much risky. Generally from Kathmandu, staffs are travelling with motorbike since, no bus services in the time of heavy rainfall.
2. It is time taking and tedious documentation procedure in government offices to get approval of any grant from overseas. Since the government interest is more portion of hardware program rather than software or information and knowledge.
3. During lockdown difficult to get pass to travel from Head Office to Nuwakot and difficult for field staff to travel field in absence of public vehicle. Risky to travel in bike in muddy bumpy road.
4. Demand of relief increased as being delay of supply.
5. Due to the increasing cases of covid in Nuwakot as well as in Capital, restrictions are placed by Nepal government to mobilize from one place to another within and outside districts. During this time could not make frequent visits at field.

Lesson Learnt

1. Close coordination and frequent monitoring with concern stakeholder to make effective project implementation which helps to clear more confusion and misunderstanding between community people.
2. The project activities should have balance of software and hardware activities.
3. Good coordination is needed to implement or engaged the coordination.
4. It is realized that to bring the lasting change in the life children, our activity should focus on parental education.
